

2nd Grade Storytellers

One of the best ways for a child to increase their comprehension is to read a book and then tell you what happens. During second grade, you and your child can select 25 books to read together and then have your child tell you the story in their own words. Log your books in Beanstack and/or mark them on the back of this sheet. This challenge may be completed in the June before second grade through the end of the school year.

To register go to
livonialibrary.beanstack.org.
